it might prove a false economy to entrust the Sheristedar with this additional work

12) Now that a list of assessing officers is being prepared it is much better that a suitable official from that list is appointed straight away & post to K Rau Dist

13) There is the further advantage in this kind of appointment, that such an officer can go from one taluk to another when the work of one taluk is completed; which will not be the case in respect of a Sheristedar

Subject:- Revision of Profession Tax Assessment in Srinivaspur Municipality

===

29/4

I have the honour to state that the last revision of Profession Tax assessment in Srinivaspur Municipality was made about five years ago and the Municipal Council have resolved at their meeting held on 30/9/1957 that the revision work may be entrusted to a committee of 5 Councillors inclusive of the President. It is reported by the President that an expenditure of about Rs. 600/- was incurred at each of the previous revisions in the shape of pay and allowances to the Assessing Officer but the income accruing after revision was not even 1/6 of the expenditure incurred in this behalf. Even during this revision, it is stated that the income would be very little and therefore it is not necessary to entrust the Assessing Officer for this purpose. The Council have the effective thought of reducing the assessment through the agency of an ad-hoc committee of its members appointed for the purpose.

The financial condition of the Municipality is poor. It is not in a position to take up any improvements works owing to its poor resources. In the circumstance there seems to be no need to employ an Assessing Officer. I therefore suggest that the revision work may be entrusted to the Taluk Shirastedar of Srinivaspur Taluk Office and an allowance of Rs. 25/- per month (including C.A.) paid to the official for this extra work. I request you kindly to obtain the approval of Government to my recommendation and empower the Taluk Shirastedar to take up the revision work in Srinivaspur Municipality.

I have the honour to be,
Sir,
Your most obedient servant,

To The Dy Commr, Kolar Dt

Sir,

With reference to your letter No AS C 291/46-47 Dy 26 4-48, relating to sanction of Govt to entrusting the Taluk Sheristedar of the Sunnavasapur Taluk with the work relating to the revision of assessment/in the Sunnavasapur minor mills, I am directed to observe that this work cannot be turned out by the Sheristedar satisfactorily as it may not be possible for him to devote his undivided attention in the midst of the various responsibilities of his own office. Besides it may also not be possible to furnish the work in time. Viewed from several aspects it might prove a false economy to entrust the Sheristedar with this additional work. I am therefore to state that it is necessary to post an Assessing officer to the Kolar Dt in this behalf may be awarded and orders
